#### IMPORTANT NOTICE:

Our guideline is valid according to the rules referring to the "FEI JUMPING RULES 27<sup>th</sup> edition". You can check them at p. 42-43-44. In case of further modifications to such rules or if you have any doubts, **we strongly recommend you to check FEI Rules before any purchase of hind boots.** Please make sure to check and comply to these rules before and during competitions as ZANDONÁ will not be held responsible for any disqualification. Complaints on our products will not be accepted in any case.

\*Make sure to check the absence of a rubber insert inside your boots because productions prior to 2020 included a rubber insert which is not allowed by the new regulations.
